

Name: Christiane Schulz, Colin Hall, Baptiste Gilois

Theme: Tribological study of hardface coatings for ground-engaging tools

Related Presentation/Publication

Presentation and Publication:

Schulz, C., Schlaefer, T., Gilois, B., Hall, C.: Laser Cladding and Thermal Spraying for wear and corrosion protection of agricultural cutting blades, 24-27 Nov 2019, ACA Corrosion and Protection Conference, Melbourne, Australia

Presentation:

Schulz, C., Schlaefer, T., Hall, C.: Corrosion Resistance of Laser Clad and Thermal Spray Wear Resistant Coatings, 10-12 Feb 2020, Materials Innovations in Surface Engineering MISE 2020, Melbourne, Australia

planned publication

Schulz, C., Schlaefer, T., Plowman, J., Hall, C.: Impact and Corrosion Resistance of Laser Clad Ni/WC Coatings, Journal of Metals
